Congratulations you are officially Organized For Life!:

- Use “organized for life” (lower case)
- OR, replace “Organized For Life” with whatever equally short phrase you like.

NOTES:

- These changes are all included in the \$50 fee.
- Any additional changes will incur an additional fee.
- This chart comes with limited distribution rights (as do all custom branded charts).
- This chart does NOT come with a companion article, like most of the other charts do. It’s your choice to leave the back blank, or to add your own content. Tip for networking meetings: Print 2 per page on card stock, and hand out like large postcards. (I tried 4 per page and it was barely legible.)
